MEMORANDUM FOR: Special Assistant to the Director
for Planning and Development

SUBJECT : List of Persons Eligible for Briefing on
Sensitive Projects

25X1A
1. On 29 May you requested that I draw up a limited list of
DPS personnel who would be briefed on new and sensitive projects at
such time as their functional responsibilities required such a briefing.
I attached herewith for your comment my recommendations for such a
list, in which [REDACTED] concurs.

2. It may be worth repeating that this is not a list of those
who will automatically be briefed on new projects, but rather a list
of those who will best be able to contribute should the services of
their respective offices be required. Where the function a particular
person would perform is perhaps not clear, I have given a short
description of his work. I will provide any further information which
you may desire on this list.

JAMES A. CUNNINGHAM, JR.
